ANNUAL TRAINING CAMP

INFORMATION BOOKLET | SPORT-ÉTUDES PROGRAM

GOLF QUÉBEC

A PROGRAM MANAGED, ACCREDITED, AND SANCTIONED BY THE QUÉBEC GOLF FEDERATION

EVERY ATHLETE PARTICIPATING IN THE SPORTS-ÉTUDES GOLF PROGRAM IS INVITED TO ATTEND THE ANNUAL TRAINING CAMP TO BE HELD FROM MARCH 12 TO 20, 2027.

Golf Québec prepared a package including transportation, accommodation, golf activities, and the supervision of athletes by a team of coaches. We are also providing you with a check list, at the end of this Guide, to make sure that your children get everything they need in their suitcases.

During their stay, participating athletes will play at the Magnolia Greens (six days) in the splendid area of Wilmington, North Carolina. They will reside at the TownePlace Suites by Marriott in Wilmington. Breakfasts are included.

All athletes will be paired prior to the trip and, upon arrival at the hotel, they will be assigned to a specific room. Coaches will supervise all athletes at all time. The curfew will be enforced at 10 p.m. and rooms will be systematically checked every night.

If some parents happen to be in North Carolina, they will only be allowed to visit their children in the evening. During the training camp, athletes will not be authorized to leave the hotel even if they are with their parents. Those who would like to communicate with their children can call the TownePlace Suites by Marriott, in the evening, or ask for our coach Daniel Langevin's room. It will also be possible to reach him on his cellular phone: 514 219-2761.

INFORMATION YOU SHOULD KNOW ABOUT TRAINING

All athletes will train daily from 8:00 a.m. to 5:00 p.m. (golf round and practice range) based on the following preliminary schedule (the final schedule and golf clubs will be confirmed before leaving the province of Québec):

Magnolia Greens Golf Plantation Golf Club

Host to the 1998 and 1999 PGA Tour qualifiers, the Magnolia Greens Golf Plantation features 27 holes. Built in 1998 and designed by Tom Jackson, the Magnolia Greens Golf Plantation is considered by many golf professionals, from Québec and the United States, as the best golf club in North Carolina.

TRAVELLING TO THE UNITED STATES

Canadian citizens traveling to the U.S. by land, sea or air must present a **valid Canadian passport.** If you haven't already done so, order a passport today by visiting the Government of Canada website. Without a passport, it will be impossible to participate in the training camp.

A copy of the passport must be provided to Golf Québec by e-mail no later than **February 5, 2027.** It is not necessary to provide Golf Québec with the athlete's original identification papers. However, they must be in the athlete's possession on the bus. Coaches will check these documents upon boarding for departures from Québec, on the way out, and from North Carolina on the way back.

TRAVELLING AUTHORIZATION

To pass through U.S. customs unhindered, all parents must provide Golf Québec with the *Travelling Authorization* form that you will find on page 7, duly completed, and proof that your child is covered by travel insurance with a complete medical plan for the duration of the stay in the United States. The form and insurance proof must be received by Golf Québec no later than **February 5, 2027.**
